The Caurt of Appeals is closing up its political cases as rapidly as last week. possible, us there will be a blg) change in the body on January 1st Calub Powers has again been granted a new trial.

The report of do unething of the Big Sandy River Improvement Association, published in the News last week, showed that three of the up-river countles had no representatives present. We do not bollevo this should be construed as meaning that there is no interest up there in this most important of all propositions before the prople of the 111g Sandy Valley, It Is doubiless due to lack of local or Thompson, ganization, without which there is no special responsibility or anthor-Ity in the hands of one man in the goods. community more than another. Thus all allow the matter to go by without the aftention due it. This condition should not be allowed to should now be taken up by the as they are good neighbors. countles above. Not that we of the lower valley desire or Intend are soon to have a singling school to rollmunish curpiforts in behalf of completing the project of Hig Bandy slackwaler, for we do not in any degree; but as a matter of justice our friends up Sandy should holp out. We are sutisfied they are entirely willing to do this, and that all that is needed is for some one to take the lead in the matter of local organization.

There is now being published serially in the Louisville Courier-Journal one of the most stariling narratives over given to the prople of the United States. Not only le it stariling, but it is interesting in the highest degree, and of its of Smith P. Hicks. entire truthfulness there can be no doubt. It was written by Samuel Arnold, the only survivor of the numerous people tried and convicted of the murder of President Lin- Pay. coln on the 14th of April, 1865, Some, Mrs. Surrait among them, were hanged; the citiers, among them Arnold, were sent to the Dry Tortugas, the "Devil Islands" of the United States, for life. Of these last Samne! Arnold and Dr. Mudd, of Maryland, were absolutely innocest of any Intent or participathat in the assassipation. Threuthre county knows that Mrs. Smratt was gulltless of may participation whatever in the druth of the place, Prosident, and it also knows that Edwin M. Stanton and Andrew Johnson will be held responsible at the last Grent Asslze for the le gal nurder of that poor woman.

Il was the intention of Arnold not to have the narrative published until after his death, hat now, at the age of sixty-seven, he has given It lo the world. the individual at least, Georgo Alfred Townsend -"Gath"-will probably rush to the dofonse of the Court Marthal that large fall of slate. convicted Mrs. Surrait. Then It will be in order for Joe Blackbarn today, do thou play true for thyto again pull the noted correspondont's nose in the lobby of a big holel.

# A Gentleman's Solid Gold Watch The Lucky Person Gets Choice

With every payment of one dollar on sub-A Ladies, Solid scription to the BIG SANDY NEWS we give a number. After all numbers are issued a committee of disinterested citizens will be selected to make the award in some manner absolutely fair to all holders of numbers. The lucky person will get choice of these valuable premiums.

The Quality is Guaranteed

J. F. Beteliff, &c. Prff. most of those we have are very slightly discolored on the cover my liampness.

A man was recently reavicted of steeling his neighbor's class and hiding them in the cellar. It was a cowardly mode of cow-hiding.

Folls a deadly attack.

"My wife was so ill that good physicians were numble to help her," writes an a cowardly mode of help her, writes and such at the country to store the manner of the country to store the manner of the country to see the country.
